

Pickup & Disposal Guidelines

Any debris determined to be left by a professional contractor or landscaper will NOT be collected.

Limb & Tree Debris Disposal Guidelines

- Waste Management is contracted by the City of Brandon to pick up limbs and certain debris per the guidelines listed below. The City of Brandon does NOT run their own limb & tree trucks.
- Trees will NOT be picked up by the City of Brandon or Waste Management. It is the responsibility of the homeowner to dispose of cut trees.

- Waste Management will pick up limbs and small trimmings on your FIRST pick up day of the week.
- Limbs can be no longer than 5 feet long & 8 inches in diameter for Waste Management to pick up.
- Individual limb piles should be stacked no higher than 3 feet in height and should be no larger than 60 pounds.
- Place bundled or bagged limbs and trimmings on the curb next to your regular household garbage for pickup.
- DO NOT place any debris in the street or curb. This causes drainage issues.

Leaf & Other Trimming Disposal Guidelines

Curbside Leaf Pickup Services – City of Brandon

- Leaves must be raked to the curbside of the property by the resident.
- Remove all other debris from the leaf pile. The pile cannot contain any limbs, rocks, bricks, concrete, or other debris. All non-leaf debris will be left for the property owner to clean up.
- Place leaves in a tight pile(s) within 2 to 10 feet of the curb for ease of pickup.
- Submit a request to the Public Works Department for pickup.
- DO NOT place leaves in the street or curb. This causes drainage issues.
- DO NOT put leaves in containers or bags for curbside pickup. Any leaves in bags can be placed next to your household garbage for pickup by Waste Management. See information below.

Bagged Leaves or Other Trimmings – Waste Management

- Waste Management will pick up bagged leaves and other trimmings on the FIRST pickup day of the week. Place bagged debris at the curb next to your regular household garbage for pickup.
- Waste Management will only pick up 3-5 bags of debris at a time. If more than this is left out for pickup, it will likely be left to the following pick up day or week.
- DO NOT place bagged leaves or debris in the street or curb. This causes drainage issues.

Please contact the City of Brandon Public Works Department at (601) 824-4579 or water@brandonms.org with any questions regarding limb & yard debris pickup and disposal.
